

Circle C Ranch has been a life changer for my family! I'm so thankful for a place where my kids could find great role models, make lifelong friends and grow in their relationships with God. Wayne has been a great influence, not just for my kids but also for myself. He teaches straight from God's word and gives biblical advice, willing to help anyone who asks. Not many people are willing to speak the hard truths from the Bible. Thankfully, Wayne is willing to do that alongside God's redeeming message of hope and love. The entire Aarum family has a heart to serve God and minister to those who cross their paths at camp and everywhere else. Having been involved with the camp for over 10 years, and watched how the Aarums have helped and encouraged so many kids, I'd strongly suggest this place to anyone!
